# Attendance Matters

## Arrive on Time

Every school day counts, arriving a few minutes late a day can mean days of learning is lost over the school year. It is very important that your child is on time for school.

L code = Late arrival after classroom doors close at 9am

U code = Late arrival after registers close at 9.10am (Unauthorised absence)

**An accumulation of 10 U codes over a 10 week period can result in a Fixed Penalty Notice from the Local Authority for Irregular Attendance**

# ONE LIFE

PHYSICAL FITNESS | SOCIAL FITNESS | MENTAL FITNESS

## Our Morning Routine explained:

### Safe Touch:

Each morning children choose a safe touch to meet and greet their teacher (high five, hand shake or hug) and this is proven to help children feel valued, create a sense of belonging as well as releasing oxytocin, the loving hormone.

### Thought Splat/Journaling:

After we have taken the register, we all complete a thought splat in our journals which helps us to write down any thoughts that might be stopping us from being present and our best selves. We want children to know that 'we are not our thoughts' and that not all thoughts are facts. Our minds are powerful and we must choose to pay attention to the positives thoughts because our thoughts affect our emotions which affects how we behave and 'show up' in our lives. We tick and cross our thoughts so we can make space to learn !

### Mindful Minute:

Once we have cleared some space in our busy minds, we then pay attention to our bodies and think about our nervous system. We are teaching the children that we have two main 'modes' and we want our children to be in parasympathetic mode which means clam, regulated and when we preserve energy to concentrate and learn. We can't learn when we are in state of high alert (fight, flight or freeze) so we practise breath work to ensure that our nervous system is calm.

### Affirmations:

Once the children are calm, we set our intentions for the day. We choose positive I am statements so our minds are being filled with goodness. I am loved. I am safe. I am enough. We are what we think!

### Wise Words:

We end our morning routine with some wise words which help us to grow personally and reflect on inspiring quotes and messages. We want to feed our children with goodness so they know better, so they can do better in their ONE LIFE!
